

Enrolment Pack

2022-23

Dear Parent/Guardian,

On behalf of our entire staff here at Park Ridge State High School, I'd like to welcome you and your child on the journey to becoming part of our school community.

Our school has much to offer students and we are proud of our emerging reputation for high standards of learning and success across multiple disciplines. Students are taught and encouraged to develop themselves in keeping with our ethos and to uphold our vision: *'Excellence in all we do.'*

This vision is not just about academic achievement; instead it is how students embody 'excellence' and approach each challenge, setback and success they are met with. It's an attitude, an outlook and a way of life here at Park Ridge State High School.

I am excited about the direction our school is taking and the unique opportunities we are generating for our talented and diverse students. We have a strong community of families, organisations and business partners that invest their time and energy to provide the best learning prospects and support networks for our students.

I hope to see you join the many other families that we have working with us to provide quality education for your child.

Kind regards,

Sharon Amos

Principal
