# BYOx options

## Support for every student

### BYOx

Buy a device and make it your own!

It's the ultimate choice. You decide the brand, the specs, what goes on it, what you do with it - all of it!

You can buy from any business, it's up to you!

Make sure you check out our Online Portals with JB Hi-Fi, Dell and HP for exclusive devices and special offers you won't find in a retail shop!

Whether you decide to go for speed, boost productivity or get the ultimate gaming machine, you're doing 100% BYOx, your way!

### Hire

Our hire devices are a great mix of convenience and peace of mind.

Park Ridge SHS has two options for families in 2021, so you can pick the device that fits your needs best.

Our **Dell Education 3190 2-in-1** are a small but tough convertible laptop that comes with a touch screen and optional stylus. Boasting a screen with tough Corning Gorilla Glass with 10x scratch resistance and a rubberised finish designed to withstand drops from up to 30". With up to 10 hours battery life, it's an excellent option for junior students at \$300/year (\$75/term)

Our **Acer Spin 5** will make your student feel like a professional. With its premium construction and power inside, this device is a great option for aspiring seniors. A 2-in-1 convertible with touch screen and optional stylus, it also features USB-C, SD card reader and an Intel i3 processor. Available at \$400/year (\$100/term)

### Scholarship

Can't get a device through the first two options? Park Ridge SHS is here to help.

Our Scholarship 11E fully-subsidised loan laptops get work done through a school day and, with care, can support students to have reliable computer and internet access. These devices are available as a free loan and must be returned in good condition at the end of the school year.

To apply for a scholarship loan device families will need to attend an interview with a senior staff member. These laptops are extremely limited in number.

**This option is only for families in genuine financial hardship who cannot afford a laptop through any of our other options. Terms & conditions apply. An interview with the HOD-IT or Deputy Principal may be required.**
