MOBILE PHONES POLICY

- Mobile phones are not to be accessed any time that students are being instructed by teachers. Students who fail to comply with this expectation will have their phone confiscated. The phone will be held at the office until the end of the day. Repeated offences may result in a longer term confiscation and a requirement that the phone is collected by a parent/guardian.

- Students must not take photos or video footage of staff or other students with their mobile phones or any other electronic devices.

- Students are advised not to bring phones to school as, in emergency situations; students can be contacted through the school office.

- If students do choose to bring a mobile phone to school they do so at their own risk; the school will not accept responsibility for phones that are lost or stolen.
