

## THE ARTS – DANCE

### WHY CHOOSE DANCE?

Dance has the capacity to engage, inspire and enrich all students, exciting the imagination and encouraging students to reach their creative and expressive potential.

**Consider! Choose! Commit!**

### WHAT IS STUDIED?

Dance enables students to develop a movement vocabulary with which to explore and refine imaginative ways of moving both individually and collaboratively. They choreograph, rehearse, perform and respond as they engage with dance practice and practitioners in their own and others' cultures and communities.

Popular Dance ● Jazz Dance ● Contemporary Dance ● Australian Dance ● Ballet Dance Ballroom Dance ● Musical Theatre Dance ● Ethnic Dance ● Hip Hop Dance

### HOW WILL YOU LEARN?

Through practical and theory lessons students will develop their skills in three areas - Choreography, Performing and Appreciation (evaluation/reviews of dance).

### POSSIBLE CAREERS

DANCE EDUCATOR  
DANCE PERFORMER  
AEROBICS INSTRUCTOR  
CHOREOGRAPHER  
DANCE CRITIC/HISTORIAN

## THE ARTS – ART

### WHY CHOOSE ART?

Visual Arts engages students in a journey of discovery, experimentation and problem-solving relevant to visual perception and visual language.

**Consider! Choose! Commit!**

### WHAT IS STUDIED?

Visual Arts includes the fields of art, craft and design. Learning in and through these fields, students create visual representations that communicate, challenge and express their own and others' ideas as artist and audience.

**Students will experience different Artistic media such as:**

Painting ● Clay Work ● Printmaking ● Drawing

### HOW WILL YOU LEARN?

Through practical and theory lessons students will develop their skills in three areas – Folio of drawings and research – visual diary, art pieces and Responding (evaluation/reviews of art work).

### POSSIBLE CAREERS

ARTIST  
ART TEACHER  
CRITIC / HISTORIAN  
CARTOONIST  
SIGN WRITER

## THE ARTS – DRAMA

### WHY CHOOSE DRAMA?

Drama is the expression and exploration of personal, cultural and social worlds through role and situation that engages, entertains and challenges.

### Consider! Choose! Commit!

### WHAT IS STUDIED?

Drama enables students to imagine and participate in exploration of their worlds, individually and collaboratively. Students actively use body, gesture, movement, voice and language, taking on roles to explore and depict real and imagined worlds.

Collage drama ● Realism ● Clowning ● Puppetry ● Improvisation

### HOW WILL YOU LEARN?

Through practical and theory lessons students will develop their skills in three areas - Forming, Presenting and responding (evaluation/reviews of drama).

### POSSIBLE CAREERS

ACTOR  
DIRECTOR  
CRITIC / HISTORIAN  
PRODUCER  
DRAMA TEACHER

## Design and technology – Food and fashion

### *‘Super snacks and Protect it*

**WHY CHOOSE “Super snacks and protect it”** Learn how to select snack foods that are healthy and nutritious and create your own super snack as well as how to construct items from fabric to protect surfaces and cutlery.

### Consider! Choose! Commit!

### WHAT IS STUDIED?

"Super snacks" teaches students skills to choose nutritious and healthy snacks and how to design and make their own super snack. In "Protect it" students will learn how to use the sewing machine to make a coaster and a cutlery wrap and then design their own item to protect something they own. Students will use the computerised sewing machines to add a design to their own item.

### HOW WILL YOU LEARN?

Investigation, teacher demonstrations and practical activities develop knowledge, understanding and skills required to choose nutritious snacks and prepare them. Class work involves students designing, planning and problem solving, as well as evaluating their overall results.

### POSSIBLE CAREERS

Food science, Hospitality,  
Food Styling, Dietetics,  
Nursing, Health, Social work,  
Fashion, Event Coordinator,  
Childcare.

## LOTE - GERMAN

### WHY CHOOSE German?

Studying a second language can give you an advantage in business, and open up whole new worlds.

### Consider! Choose! Commit!

#### WHAT IS STUDIED?

Using virtual tours and internet sites we'll investigate the world of travel – at home and abroad – gather the knowledge to advertise overseas to attract tourists. Then students will create an advertising campaign to attract our overseas visitors. Students will also investigate the different types of foods, recipes, culture, TV and the media in Germany and Australia and create a Variety Show to be presented at the Southern Cluster Cultural Festival. Students will also attend the German film festival held every year in April and the Oktoberfest for Teens at the RNA Showgrounds in October.

#### HOW WILL YOU LEARN?

By adapting verbal language and non-verbal language according to purpose, context and audience. By using familiar language to help interpret and convey main ideas and supporting details. By noticing and comparing similarities and differences between the target language and English. By Investigation into language use and cultural beliefs, attitudes and practices to further develop intercultural competence.

#### POSSIBLE CAREERS

FLIGHT ATTENDANT, TRAVEL AGENT, EVENT MANAGER, POLICE, HOTEL MANAGER, FOREIGN AFFAIRS, TEACHER, TRANSLATOR

## LOTE - INDONESIAN

### WHY CHOOSE Indonesian?

Studying a second language can give you an advantage in business, and open up whole new worlds.

### Consider! Choose! Commit!

#### WHAT IS STUDIED?

Australia has become one of the major tourist destinations in the world. Using virtual tours and internet sites we'll investigate the world of travel – in Australia, Indonesia and other countries. Then students will explore creative and interactive ways in advertising and attracting overseas visitors. Students will also investigate the different types of foods, recipes, culture, TV and the media in Indonesian and Australia and create a Variety Show to be presented at the Southern Cluster Cultural Festival. Students will have the opportunities to attend the Indonesian Camp, BBQ Picnic, Indonesian workshops at Brisbane Power House and Indonesian Restaurant.

#### HOW WILL YOU LEARN?

By adapting verbal language and non-verbal language according to purpose, context and audience. By using familiar language to help interpret and convey main ideas and supporting details. By noticing and comparing similarities and differences between the target language and English. By Investigation into language use and cultural beliefs, attitudes and practices to further develop intercultural competence.

#### POSSIBLE CAREERS

FLIGHT ATTENDANT, TRAVEL AGENT, EVENT MANAGER, POLICE, HOTEL MANAGER, FOREIGN AFFAIRS, TEACHER, TRANSLATOR

## TECHNOLOGY- INDUSTRIAL TECHNOLOGY & DESIGN

### WHY CHOOSE INDUSTRIAL TECHNOLOGY & DESIGN?

Industrial Technology & Design will develop a range of practical skills and knowledge involving creating designed solutions and the manufacturing of projects.

### Consider! Choose! Commit!

### WHAT IS STUDIED?

This is a practical subject that provides students the opportunity to work with a range of workshop tools and machinery in the completion of projects. Students will investigate and create designed solutions, research and plan project development, construct and manufacture projects developing skills using a range of materials including, metal, timber and plastics. In conjunction with projects, students will complete related project based theory and graphical representation.

### HOW WILL YOU LEARN?

Students will complete project based tasks and related theory.

### POSSIBLE CAREERS

Manufacturing and Construction industry.
