From the Principal

School overview

Park Ridge SHS is a dynamic learning community committed to enriching lives for the future. We celebrate learning, integrity and teamwork. Our school offers an extremely broad and vibrant curriculum catering for students wishing to pursue highly academic pathways and also for students studying nationally accredited vocational certificates. Park Ridge State High School offers a number of high performing specialist programs. These include the Indonesian Immersion program in Years 9 to 10. This challenging excellence program has had extremely successful outcomes. An Extension Indonesian program in the senior school offers students the opportunity to continue the study of Indonesian at university standard. The creative industries have always been a particular focus and students in Years 10 to 12 can access strong pathways to careers in this area. An outstanding Instrumental Music Program is also offered. Our various bands and ensembles regularly achieve honours in high profile competitions. The SciPod program in Years 8 and 9 is another excellence program. It focuses on providing a challenging academic curriculum in Science and Technology in Years 8 to 10. The AFL Academy is also offered to students in Years 8 to 10. This excellence program has gone from strength to strength in recent years and is well supported by the Park Ridge Panthers AFL Club. Our Volleyball program is another curriculum focus that has gained prominence through the dedication of staff and enthusiasm of our students. Sport and cultural activities are an important feature of the life of the school and students consistently perform well in these areas. Interschool sport is played on Wednesday afternoons for our keen sports students. Other students have the opportunity to undertake nationally accredited certificate courses at that time. Each year our students perform exceptionally well in swimming, athletics and cross country carnivals and there are extensive opportunities for students in various representative sports at a very high level. A substantial network of student support personnel and pro-active programs underpin student welfare. Our school has a rich multicultural environment and we celebrate our diversity. We have committed to the schoolwide Positive Behaviour Support Program based on the principles: "We are here to learn", "We are here to do what is right", "We are here to work together". These principles have become well embedded in the culture of the school. We believe in the critical role of the classroom teacher in supporting students to achieve their potential and quality teaching and learning is our core concern. We have a compelling focus on continuing to develop our expert teaching team. All members of staff are involved in extensive professional development activities each year. Our school values our collaborative partnerships with parents and the wider community. Robust partnerships with universities, TAFE and other training providers allow students to undertake a range of courses while still at school as well as school-based apprenticeships and traineeships. Many other partnerships provide enrichment to our curriculum programs. Over the years we have formed extensive ties with schools and other organisations in Indonesia to support our Indonesian language programs. Valuable links with professional theatre companies have led to outstanding opportunities for Drama students. AFL Queensland provides a strong pillar for our AFL Academy. Many local businesses and industry partners support programs in the senior school. Park Ridge SHS has also developed a focus on community service and students are encouraged to participate in a range of activities. Recent projects include a literacy project in Madang. Students are also involved in a range of fundraising activities to support the RSPCA, Canteen and other charities. We work hard to foster the leadership potential of our young people. Our Student Council and various other forums allow students the opportunity to participate in important decision making processes. Our school is committed to opening up diverse opportunities for our student body. Through our rich curriculum and guided counselling process for the individual child, our students are well prepared for the challenges of life beyond school.

Notes:

1. Student counts are based on the Census (August) enrolment collection.
2. Indigenous refers to Aboriginal and Torres Strait Islander people of Australia.
3. [pre-Prep](#) is a kindergarten program for Aboriginal and Torres Strait Islander children, living in 35 Aboriginal and Torres Strait Islander communities, in the year before school.

In 2019, there were no students enrolled in a pre-Prep program.

Year 7 – Year 10	23	24	25
Year 11 – Year 12	18	18	17

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

Social climate

Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

Respectful relationships education programs

Our school has implemented the Respectful relationships education program (RREP) as part of the broad multi-departmental Queensland Government approach to ending domestic and family violence.

The RREP is a Prep to Year 12 prevention program that focuses on influencing behavioural change to build a culture based on equality and respect in our students, staff, parents and wider community. Students are provided opportunities to explore social and emotional learning in self-awareness, self-management, social awareness, relationships, ethics, values, social norms, gender roles, stereotypes, human rights, risk and responsible decision-making. A growing body of evidence shows that social and emotional learning of this nature leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/respectful-relationships>

School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2017	2018	2019
Short suspensions – 1 to 10 days	270	349	318
Long suspensions – 11 to 20 days	8	13	26
Exclusions	29	19	20
Cancellations of enrolment	6	6	7

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)	495,700	487,584	527,155
Water (kL)	16,890	17,344	16,024

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

For more information, please refer to the following links

Professional development

Teacher participation in professional development

Queensland state schools undertake 5 staff professional development days (25 hours) throughout the year:

- 2 days at the end of the summer holidays (fixed)
- 2 days during the Easter holidays (flexible)
- 1 day in the third last week of Term 3 (fixed) on the student free day.

Notes:

1. The apparent retention rate for Year 10 to Year 12 = the number of full time students in Year 12 expressed as the percentage of those students who were in Year 10 two years previously (this may be greater than 100%).
2. *Indigenous* refers to Aboriginal and Torres Strait Islander people of Australia.

Student destinations

The Queensland Department of Education conducts [annual surveys](#) that capture information about the journey of early school leavers and Year 12 leavers from school to further study and employment.

Early school leavers

The destinations of young people who left this school in Year 10, 11 or before completing Year 12 are described below.

Schools work closely with a range of external agencies to support students who left school early.

Our Principal, Deputy Principal, Regional Transitions Officer or Guidance Officer liaises with early school leavers and their parents, providing a service 'beyond the school gate' to assist early leavers make a successful transition to other educational pursuits or employment.

Next Step — Post-school destinations

The results of the 2020 Next Step post-school destinations survey, *Next Step – Post-School Destinations* report (information about students who completed Year 12 in 2019), will be uploaded to this school's website in September 2020.

To maintain privacy and confidentiality of individuals, schools with fewer than five responses will not have a report available.

This school's report will be available at <https://parkridgeshs.eq.edu.au>.
