Park Ridge State High School

a versatile education for a versatile world

Importance

School uniforms encourage students to learn the importance of dressing for success and contributes to a positive attitude and way of behaving in school. School uniforms provide students with a sense of belonging and reduce peer pressure when it comes to their clothes. Finally, school uniform supports teachers and admin to identify who is a student and who is not, even from a distance.

For full details please see PRSHS Dress Code (with elaborations)

Students who do not wear school uniform, including prescribed shoes, will be required to change into school-owned loan uniforms*.

Students are asked to attend the Re-engagement hub when they arrive at school (prior to 9:00am) to change without penalty.

Students out of uniform during the school day will be issued with lunch-time detentions and provided with an exchange of clothes.

We ask that parents please contact the school if you are having difficulty sourcing the correct uniform. It is not appropriate to substitute items with items that are not sold through the uniform shop with the exception of plain black dress (Business) pants.

If your child is struggling to wear uniform because of their shape, we are here to help, and we will ensure a tailored approach to supporting your child is adopted.

Please contact our school if you feel your child fits this category.

Park Ridge State High School is a uniform school. A condition of enrolment, as indicated in our Enrolment Agreement, is that correct uniform is to be worn in its entirety, at school, and when travelling to and from school every day.

All students who attend PRSHS must wear the full school uniform, including prescribed footwear as outlined in our school's dress code.

The school's Dress Code is related to issues of health and safety, functionality, affordability, and anti-discrimination as articulated through the Education General Provisions Act of 2006 and its Regulations and relevant EQ policy SMSPR-022.

Parents are required to support our uniform policy as part the enrolment agreement.

Our school supplies second-hand uniform and options for families who are in financial distress (please contact our school if you need this level of support)

No child wanting to wear our uniform who is struggling due to financial or identified issues will be penalised. It is our job to support and we will find a solution together. However, students refusing to comply with our easy to wear and affordable uniform, and who are unwilling to work with us toward a solution, will be provided with instruction outside of their class environment until a suitable uniform is engaged.

Please see our PRSHS shoe guide, if you are having difficulty sourcing shoes. This is certainly not an exhaustive list but does cover a range of options, and budgets. The shoe images are hyperlinks, click on them to access supplier website.
